

Download the mobile app

To Install the App (iPhone and Android users):

1. Open the **App Store** or **Google Play Store**.
2. Search for "**HOA Start**".
3. Download the app.
4. Log in with your email address and password (if you don't have an account, register on our community website www.smphoapv.org).

In-App Push Notifications

- What are they? Alerts that pop up on your phone when documents are loaded, events are posted, newsfeed posts are added, etc.
- How to get them:
 - In the **app**, click on your profile (your initials at the top right).
 - Click on **Settings > Notification Preferences**.
 - Click on "**Receive In-App Push Notifications**" to turn it **green**.
 - Then on your **phone**, click on **Settings>Apps>HOA Start > Notifications>Banner Style**.
 - Set the Style to **Persistent**.
